TO,

M/s.Enertech UPS Private Ltd.,
S.No. 399/1-2, Plot No. 5, Bhare,
P.O. Ghotawade, Tal. Mushi,
Pune - 412 115

We have installed 4 Units of Enertech Solar PCU, of different ratings from 15kVA to 25kVA KVA. This has been supplied for the Off Grid Solar PV Systems installed by us at 4 different locations in Maharashtra for Arshram Schools for their Lighting and Fan Loads primarily.

We are very pleased with the support team of Enertech and the response they provide us on the phone and also place on record the help of **Mr. Alok Khairnar** which he provides to ensure that the systems sold by him are up and working always.

These systems have been in operation for more than a year now with no major breakdowns and also have got the after sales service support whenever we did have small issues.

We would recommend Enertech Solar PCU's for customers who are having frequent grid failures and would like to have a good off grid solution with batteries.

Wishing team Enertech all the Best

Thanking you,

For ABS Renew Power Pvt Ltd
