We have installed Solar Hybrid PCU purchase from **ENERTECH UPS PVT. LTD.**

We are satisfied with the Solar PCU & service from **ENERTECH UPS PVT. LTD.**

We are very pleased with the support team of Enertech and the response they provide us on the phone.

The manual is quite exhaustive and useful to resolve commonly reported symptoms. The user hence maintain the system on his own.

After the Solar system installation, we have been enjoying 24 hours energy availability.

Also solar has helped us to reduce the energy bill.

We recommend customers having mains failure and critical loads in day and night time, to opt for solar PCU.

The investment will be get returns on capital spent.

Thanking you,
Yours faithfully,
